DeCara, Inc., dba. Dynamis Announces the Launch of its New Online Store Website: www.dcdynamis.com

Manufacturer of epoxy solutions, Dynamis is pleased to offer online shopping solutions of epoxy systems on its new website at www.dcdynamis.com. Potential and current customers and distributors can now create an online account and shop among over 100 epoxy products to fix fiberglass, metal, wood, decks, driveways, electrical motors, concrete and much more.

Venice, FL, April 20, 2009 – After offering its epoxy products primarily to wholesalers and distributors for many years, Dynamis' product line is now available online for retail. Customers can shop for any epoxy adhesives, coatings and compounds to a diverse range of epoxy systems and custom formulation epoxy. All of our products are developed to respond to any particular need.

Dynamis' epoxy product lines range from user-friendly marine epoxy compounds for boat repairs and boatbuilding industries to electrical potting compounds, concrete maintenance systems, and coatings and adhesives systems. Over the years, Dynamis has specialized in many industries such as the Marine, Construction, Automobile, and Electrical. Dynamis offers competitive prices and guaranteed superior quality. "We have an in-house research team, and all of our development, testing and manufacturing are done at our headquarters in Florida" says John Caramanian, president of DeCara, Inc. Dynamis' product lines use the latest epoxy technology to offer systems without blush, thereby reducing or eliminating interlaminar surface preparations. "Our goal is to build long lasting relationships with our clients and distributors, and bring the best in fulfilling any needs as we have done it for many years" says Caramanian.

For additional information on Dynamis' new online store, contact Nadia Vizza or Eric DeGrave or visit www.dcdynamis.com. All epoxy products are user-friendly, no blush, no-sag, no shrinkage, corrosion resistant, fresh water and salt water resistant, custom formulated, chemical resistant, solvent-free, non-flammable, low/no odor, interior & exterior durability, wear resistant, weather proof and stain resistant.
